## Book Parade

What a fabulous book parade we had today. I loved seeing all the costumes and hard work that our Lota families put in to make the day special for everyone. Books really do light up our world and I hope you all got some more ideas of books you might like to read. Well done to all the class winners and highly commended students. You did a great job. Here are some of the amazing costume photos for your enjoyment.

## Fete

**Wow!** What a wonderful fete. The figures are yet to be finalised but it looks like over \$10,000 profit which will cover the air-conditioning of two classrooms. Well done to everybody and a special thank you to all of the volunteer parents and staff that made the day operate so smoothly.

The rain held off and the sun shone, but not too brightly. The class stalls were all a great success. Lob-a-choc sold out first as always and I even managed to win a Freddo frog for my little boy. The angry birds got knocked down repeatedly to Ms Seib's delight and Ms Cummings and Ms Townsend wore their shoes out walking around selling number board squares all day. Ms Templeton's craft stall had a last minute rush at close of business, Ms Beinssen's plants sold well and the crazy hair and tattoos kept Miss Tori and her crew busy and the students looking colourful all day. The lolly jar got guessed and Chappie Howard drummed up support with his knock down skittles. Ms Blanch sat patiently at the ride ticket booth for 5 hours and Mr Allen enjoyed all things technical as Mr Willis MC'd the event. It was even more exciting when the inflatable rides deflated and caused the PA system to lose power!

A thank you to our sponsors:
